International Church Begins Thursday! Dutch Sheets Ministers on Sunday!

Wednesday, January 11, 2012

Dear Restorers:

One of the mandates the Lord has given us here at the Global Spheres Center is to see the building and land RESTORED. What once was a vacant, desolate structure is now being occupied and established, piece by piece. We recently had former employees of Boeing enter our building. There were in utter shock at the transformation, and could hardly believe what we have undertaken. We are so grateful for each of you who have partnered with us in this process to see the Lord's purposes established in this place.

In like fashion, Pam has undertaken the same restoration process with the original garden area. She sought the Lord for how to restore this area, and by faith, developed the Israel Prayer and Gentile Gardens. A barren, unkempt area has literally been transformed into an oasis where the Spirit of God dwells powerfully. This type of restoration takes incredible vision, and Pam's Blog from Monday models this. She shares:

Before and After! *On this chilly, rainy day, I decided to review my photographs from the past year in the Israel Prayer Garden. It's hard to believe that the garden we now enjoy was an overgrown, neglected piece of earth just ten months ago. I have done my best to select some before and after photos of the garden for you to enjoy. Of course, you can always go back to the beginning of this blog if you want to review what God accomplished in the garden in such a short amount of time. And I'll enjoy listening to the rain on my roof!*

New International Church Begins Thursday Night! Plus Corporate Prayer Begins at 6 PM!

We want this place to be a place where the nations gather. Therefore, we will now begin our once a month international gathering. All of you who are in campuses or neighborhoods with people from other nations, invite them to come and worship here at the Global Spheres Center on Thursday night!

Tomorrow evening at 6 PM we will continue our weekly corporate prayer gatherings for the month of January. Janice Swinney will be helping us begin the Hebraic day with intercession, worship, declaration, and breakthrough. Everyone is welcome to join us for this time in the Tabernacle. If you are not able to join us onsite, you will be able to join the live webcast, or watch a webcast replay through next Wednesday.

At 7 PM **Alemu Beeftu** will be kicking off our first monthly “Every Tribe and Every Tongue” International Glory Gathering. Some time ago the Lord has given me a vision of five different churches meeting here at the Global Spheres Center. I believe these once-a-month meetings led by Alemu and Genet Beeftu will develop into a very dynamic church where the nations will gather for fellowship and legislating the heavenlies. Alemu shares:

These gatherings will focus on the fulfillment of His promise, “I Will Fill This House With Glory!” (Hag. 2:7). Come and join us to keep the worship altar pure and worship fire alive for His presence to dwell, the revelation of His word to be released and His authority to rule nations. We invite you if you have been praying for the glory of the Lord to fill the earth, and for reformation of the body of Christ, and for the transformation of nations.

We believe that this is the heart of God because He spoke to us about it two years ago. On November 19, 2010, during Gospel of Glory’s annual Glory Gathering, Apostle Chuck Pierce said:

“While we were worshipping, I heard the Lord say, “every tribe and every tongue.” He kept saying it over and over, “every tribe and every tongue.” So I kept asking the Lord, “What are You saying to us?” ... He said. ... This will be an ending and a beginning for us, each one of us here...it’s going to be the beginning of something new.” Because I felt the Lord saying we would ... start gathering all of this region... for the nations to worship. And I saw this: all nations. We wouldn’t have a particular language when we gathered, we would have His language. And it will be all different types of nations and peoples gathering in. And I saw Alemu giving us a message when we gathered, [which is] going to bring us into a different form of worship that we’ve never been in before. Because we are going to have Vietnamese coming, we’re going to have Ethiopians coming, we’re going to have Iraqis coming. ... But I think if we all start worshipping together as one and then allow worship to be presented by a particular tribe and tongue for us to enter into, we’ll end up being more like heaven instead of our norm... If we don’t branch out now, we’re going to miss a window that God has over how to worship and the style that we’re to become as we go into this next season. It will become the new intercessory gathering. It will become the new prophetic gathering because we will have to hear by the Spirit.”

If you are in the Metroplex and hungry for the full manifestation of His glorious presence and the demonstration of His power to save and heal individuals and nations, come and exalt the King of Glory this Thursday night at 7 PM. This gathering will also be available by live webcast, and on replay through Saturday evening.

Sunday Morning Celebration Service at the Global Spheres Center (January 15, 2012)

I hope that many of you will be able to join our Celebration Service at the Global Spheres Center on Sunday morning at 9 AM (CST). John Dickson will be leading worship, and **Dutch Sheets** will be ministering. If you were with us for *Crossing Over into the New Day*, you will remember the incredible message Dutch gave on the fellowshiping Church and legislating Ecclesia. This Sunday we are expecting another powerful message. Dutch and I will both have just returned from Oregon for a regional gathering with Steve Shultz to mobilize the Triumphant

Reserve in the Northwest. I believe Sunday morning will build on what is released in Oregon, so be sure to join us, or watch the webcast replay through Wednesday night.

Upcoming Center for Advancement Classes – Mark Your Calendars!

I am so grateful for how the Lord has enabled us to cross over into a new day. Each day we are seeing evidence and receiving testimonies of how a door of opportunity, favor and increase is beginning to open. Keep declaring excess, access and breakthrough!

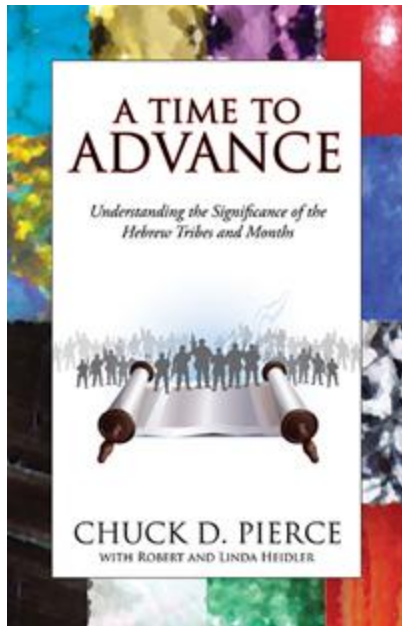

Beginning in February, we will resume our Center for Advancement courses. **The Center for Advancement** was developed to provide timely, to the point courses to help you increase your knowledge so that you will not perish, but prosper in critical times! Each of our classes is carefully selected for what the Lord is saying NOW. One of the key concepts we must understand in this new year is how the Lord is establishing His government and administration. Therefore, on **February 3-4**, Robert Heidler will be teaching on “***A New Administration: Understanding God’s Government Today!***” There will be no charge to join us onsite or by webcast which begins on Friday evening and continues on Saturday morning and afternoon.

With the release of *A Time to Advance: Understanding the Significance of the Hebrew Tribes and Months*, we want to further our understanding of how the Lord speaks through the Hebraic language. Hebrew is a complete language in the sense that its characters “speak” through both form/picture and sound. Therefore, the Hebraic letters and numbers can provide a deep level of revelation as we study the times and seasons we are living. On **February 24-25**, Robert and I will devote an entire class to ***History’s First Alphabet: Understanding Hebrew Letters and Numbers***. This class will also be offered at no charge onsite, as well as by webcast.

Blessings,
Chuck D. Pierce

Possessing Your Inheritance by Chuck D. Pierce and Rebecca Wagner Sytsema

When Jesus said, "*I have come that they may have life, and that they may have it more abundantly*" (John 10:10), He demonstrated God's longing for His people to prosper and accomplish all that He has planned for them. God wants to take each of us from a place of judgment, desolation and fruitlessness to a place of restoration, hope and abundant life. In this **revised and updated edition** of *Possessing Your Inheritance*, you will discover how to take hold of that which God has destined for you, your children and your children's children. In addition to a brand new introduction, a prophetic word and scripture study section are included with each chapter. You will want to update your library with this new release.

Time to Defeat the Devil by *Chuck D. Pierce*

As we all know, times are changing, and there is a historic shift occurring in the church today. In the midst of this change the enemy would try to distort our vision so we lose our way. The Lord stirred me to write this book so we would not shrink back, but learn to see in a new way, and embrace the authority and power we have been given through our Risen Lord, Jesus Christ. The 20 chapters in this book will take you through a journey where you learn how to:

- break free from life's past seasons of trauma, grief and loss
- enter into a new level of freedom and victory
- walk into the new season and time God has for you
- understand and know the wiles of your enemy
- and understand what vexation is and how to break its grip

Perhaps what makes this book most unique is the focus on how to break the power of vexation and to renew our human spirit. Like righteous Lot, the enemy seeks to vex our spirit so that we become traumatized and fragmented. If he can block our spirit, he can stagnate our relationship with the One who created us and overtake our soul. However, we have a FATHER of our human spirit who is able to renew and nourish our spirit! Learn how He longs to see us restored and made whole, and how we can "exercise" our spirit and commune with Him in a new way.

Restoring Emotional Health and Gaining Strength for the War Ahead by *Chuck D. Pierce and Robert Heidler*

This is an EMOTIONAL time in the Body of Christ. So many of us do not fully understand our emotions and how they can hinder us from expressing the character and mood of Holy Spirit as we walk in the earth realm each day. The Lord created us with emotions, but all too often we either repress and deny our feelings or express them in ways that do not promote wholeness. This Issachar School course will help you better understand how to maneuver through the end of this season, how to confront the lies of the enemy, and restore your soul. Sessions include:

- Get off the Emotional Roller Coaster and Get in TIME
- Restoring Emotional Health for the War Ahead
- Emotional Models and Timing Expressions

We are also including 2 prophetic intercessory prayer times.

Special: \$25 for CD or DVD (regularly \$50)
